Editor's Welcome

I don't know about you, but my mood improves significantly when the weather starts heating up and I can spend more time outside. Our Community Garden in Accrington offers a space for relaxation to unwind and free time to recharge your batteries. We want you to take advantage of our calming haven and join us for a number of fun activities we have planned over the summer. The therapeutic qualities of spending time in the garden have long been known and over two thirds of carers say it is helping manage their stress levels.

Talking about the benefits of being outside with have teamed up with Pendle Hill Landscape Partnership to bring you two exciting free events to celebrate our much loved heritage including an Archaeology Day and Mystery Heritage tour, see our activities page to find out more.

It's at this time of year people go on holiday or take a short break. For many of you in caring roles this can often seem impossible without the support in place. We can help you with respite options, specialist holiday locations and advice. We also still have availability at our Carers Caravan holidays. With three night stays starting from just £190 for up to eight people, it's a great way to take a much needed short break.

It's amazing to think that just over 20 years ago a handful of people caring for their loved ones came together and decided to set up a regular support group for unpaid carers. Little did they know that this would evolve into the incredible organisation we see today. With the new partnership in place, our community facility open to everyone and a fantastic staff team we are ready to continue to deliver outstanding support across Lancashire.

I would like to wish you all a wonderful summer and I look forward to seeing some of you on our trips, courses and fun days out.

Introducing the new carers service for Lancashire...

Up until now Carers services commissioned by Lancashire County Council and Clinical Commissioning Groups have been delivered under the umbrella name Carers Lancashire and provided by Carers Link Lancashire and n-compass Northwest.

Following Monday 1st July 2019 Carers services are changing their name to **The Lancashire Carers Service** and Carers Link Lancashire and n-compass Northwest have teamed up to form a partnership to deliver an improved service through shared knowledge, experience and combined resources.

The new Lancashire Carers Service will continue to support Carers delivering:

- Carers Assessments
- Peace of Mind 4 Carers Plans
- Specialist 1-2-1 and group support
- Magazines twice a year detailing local groups, activities and courses
- Support to access community and Health and Wellbeing services
- A 24/7 Volunteer manned Carers Help and Talk (CHAT) Line
- Volunteer Befriending and Sitting-In services
- Support for former Carers
- Volunteering opportunities for Carers, including volunteering for the CHAT Line, Befriending and Sitting-In services
- Carers Awareness Briefings for professionals

OUT & ABOUT

OFFICIAL OPENING

Community Facility 54-56
Blackburn Rd Accrington

We marked the official opening of our exciting new community facility with a very special evening! A huge thank you to everyone that joined us to celebrate including Graham Jones MP, Julie Higgins and Michelle Pilling from NHS East Lancashire Clinical Commissioning Group, BBC Radio Lancashire, Logan & Manley for the wonderful music, Carers, volunteers, staff and supporters.

COMMUNITY GARDEN

Community Facility 54-56
Blackburn Rd Accrington

Our community garden offers a place for people to relax and engage with nature together. Carers can pick delicious fresh fruit, herbs and vegetables to take home or sample in our cafe. Volunteer Ian is pictured with our first juicy garlic bulb and our little helper dug up some wonderful salad potatoes as well as watering the garden for us. Its well worth a visit!

CHEESE & WINE TASTING

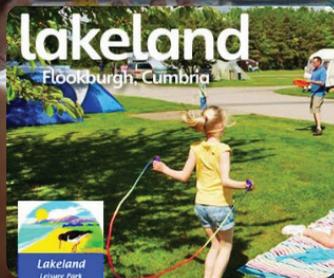

Community Facility 54-56
Blackburn Rd Accrington

A fantastic night was had by everyone who attended our first Cheese and Wine Tasting fundraiser. Each wine was paired with a carefully chosen and equally tasty cheese, picked perfectly to complement the wine on offer. We would like to say a huge thank you to Roger and Carol Pollard who did an amazing job of hosting the night for us and to Logan & Manley who provided the live music and soulful singalongs!

A Big Thank You to Accrington Rotary

This year the Chair Russell, along with support from Jackie and Michelle, has provided great support for our Young Carers Service.

Accrington Rotary have provided funding for our young carers to go to Blue Planet Aquarium and a little gift each to take home. They also supported our Christmas Party, even providing a visit from Father Christmas himself!

At Easter they took a group of our older young carers' ice skating and finished the day off with a visit to Nandos. In July we will finish the year off with a fantastic summer party where Accrington Rotary will again be providing the young carers with a brilliant event, this time a disco with games, party food, refreshments and lots of fun.

This support makes such a difference to the lives of young carers!

Thank You Very Much!

**A
Personal Service
With Convenient
Home Visits**

The Sitting in Service is a FREE befriending scheme that engages volunteers to offer up to two hours per week for a regular, or occasional, sitting in arrangement for an adult over the age of 18 who has low level care needs.

Volunteers offer companionship with the person they sit with by taking part in activities together such as: listening to music, watching TV, playing board games, chatting, or providing refreshments. Many of our volunteers are happy to take the person you care for out and about too.

Not only is it FREE respite care, but you have peace of mind that a trained, DBS checked volunteer will be sitting with your loved one whilst you are out. If you would like to request a Sitting in Service volunteer, please call our Volunteer Co-ordinator on **01254 387444**.

Need additional help and support? Then a carers assessment may be the answer.

A Carers Assessment is all about you, the carer. Your carers assessment will look at the different ways in which caring affects your life and how you can carry on doing the things that are important to you and your family. Your physical, mental and emotional wellbeing will be at the heart of your assessment. It will also consider other important issues, such as whether you are willing and able to carry on caring, whether you work or want to work or access training or education, and whether you want to do more socially. The assessment can take place face to face, on the telephone, in your own home, at a clinic or other community setting. Because the assessment is personalised to you and your needs, the length of time it can take may vary. This isn't a test it's an opportunity to discuss with

us the support or services you need. It has nothing to do with your finances, although the assessment may highlight that you need support with benefits and we would put you in touch with the relevant organisation to help you with this.

Once an assessment has been completed we look at how we can assist you to achieve or work towards the outcomes identified. This could be via services that we provide, support from services in the community or support from Lancashire County Council. If your needs cannot be met using these services, you may be entitled to a Carers Personal Budget.

Each year we will review your Carers Assessment. As a result of reviewing your Carers Assessment you may be eligible once again for a budget. If your needs have increased you may be entitled to more money. Similarly if your needs have decreased you may be entitled to less.

**EMERGENCY
PLAN**

Who would care in an emergency?

Many carers worry about who will look after the people they care for if something happens to them unexpectedly. This constant worry can cause stress and prevent carers from having a life of their own alongside their caring role.

Our FREE Peace of Mind for Carers service will take away the 'what if' and replace it with the reassurance and confidence that the person you care for will be supported if an emergency occurs.

We will work with you to put a plan together. The plan will be kept on a confidential database ready to be put into action at any time - 24 hours a day, 365 days a year.

Please contact us to set up your plan or find out more about this service.

FREE Respite Care

Did you know we can provide FREE care from an agency so that you can attend our trips, activities and events?

We can arrange for care through many local domiciliary care providers, your own personal assistants, or child minders. In the case of children, please be aware that we can only pay for replacement care for the child you care for, not any others.

If you see an event or activity you

would like to attend but are unable to arrange for someone else to look after the person you care for, please contact us and let us know. Wherever possible we will make arrangements with a care agency for a trained care worker to go in so that you are free to have a break.

Take a break its good for you!

For more information, please call Carers Link Lancashire on **01254 387444**. Remember to ask us first, don't just assume we will pay as we only have a limited budget for this service!
